

USTA TENNESSEE JUNIOR RANKING SYSTEM

The USTA Tennessee will continue the Points Per Round (PPR) ranking system similar to the system adopted by the USTA for 2009. The Star System will no longer be used to determine standings/rankings. IT IS VERY IMPORTANT THAT YOU BECOME FAMILIAR WITH THE TENNESSEE REQUIREMENTS FOR STANDINGS, RANKINGS AND ENDORSEMENT UNDER THIS NEW SYSTEM.

Event Levels:

The USTA Tennessee Junior Competition Committee shall evaluate annually the appropriate levels of the events considered for Tennessee Junior Standings and Rankings. To follow are the levels of events for 2009-2010:

- Level 1: Tennessee Junior Qualifying
- Level 2: Tennessee Junior Closed Championship
Tennessee Junior Open Championship
Tennessee Junior Clay Closed Championship
- Level 3: Southern Junior Closed Championship (summer)
Southern Junior Open Championship (summer)

Bullfrog USTA Southern Section Designated Tournaments
- Level 4: All other sanctioned tournaments in Tennessee
- Level 5: Novice events

Ranking Regulations:

1. A player's standing shall be based on his/her best six tournaments to date within the standing period. Standing lists will be limited to players that remain age-eligible for play in the division. The standings lists shall include all age-eligible players who have accumulated at least 10 points during the computation period.
2. A player's year-end annual ranking shall be based on his/her best six-tournament results during the calendar year. Players must have earned at least 50 points in the age division to be included in the rankings.
3. Bonus points are attached to the event in which they are earned. If an event total, including both round points and bonus points, is not among a player's best six tournaments, neither the event points nor the bonus points will be counted toward the player's standing or ranking point total.
4. Byes do not qualify as wins.

5. Withdrawals, defaults and walkovers qualify as wins for the advancing player and earn round points, but do not earn bonus points.

6. Tiebreak rules for Standing lists:

- b. Total bonus points earned in all events played during the computation period.
- c. Highest single opponent bonus earned second highest, third highest, etc.
- d. Best random draw number.

7. A player must win a round to receive points for that round. If a player advances in the first round due to a default and loses in the next round, he/she shall receive points for the first round.

Doubles Rankings Regulations:

1. Each team's doubles standings and year-end annual ranking will be based on their best six tournament results during the computation period. **Doubles Point Assignments will be the same values as singles, with each player receiving the full point value as indicated by the Point Tables.**

2. A team's year-end annual ranking shall be based on their best six tournament results during the calendar year. Teams must have earned at least 50 points in the age division to be included in the rankings.

3. Bonus points are attached to the event in which they are earned. If an event total, including both round points and bonus points, is not among a player's best six tournaments, neither the event points nor the bonus points will be counted toward the player's standing or ranking point total.

Tournaments with Qualifying Rounds Covered in a Single Sanction

No Points Per Round will be earned in the qualifying rounds of tournaments when the qualifying draw and main draw are covered in a single sanction. However, in Level 1 through 5 tournaments, Bonus Points will accumulate for the tournament and will be attached to the tournament at which they are earned.

Bonus Points – Rewards for Significant Wins. Bonus Points are earned at USTA Tennessee Ranking Tournaments for significant wins over top 25 players according to the table below. Bonus Points are earned for wins in both main draw and qualifying draw matches. At Level 1 through 5 tournaments, Bonus Points are “attached” to the tournament at which they are earned. If a tournament total is not among a player’s best four tournaments, neither the Points Per Round nor the Bonus Points will count toward the player’s ranking point total.

#11 through #25	5

TENNESSEE

Quota: For 64 Draw- 6, 128 Draw-11, 160 Draw-13

Players must be endorsed by USTA Tennessee for the USTA Southern Closed Championships. Players must play in the Qualifying in the age division in which they want to be endorsed in the USTA Southern Closed Championships.

The Southern Section is comprised of the following nine southern states: Alabama, Arkansas, Georgia, Kentucky, Louisiana, Mississippi, North Carolina, South Carolina and Tennessee. Each state is allotted a quota of players, determined by USTA Junior membership, to represent the state at the USTA Southern Closed Championship.

Selection Process:

The top 8 finishers at the Qualifying (semis of main draw or back draw) automatically qualify for the Southern Championships. The next spots in quota are determined by the players finishing position in the Qualifying and their player record since January 1. In the 10s the top 4 finishers automatically qualify and the last 2 spots are determined by the players finishing position in the Qualifying and their player record since January 1. All players wanting to be considered for selection must have applied to the USTA Southern Closed Championship of their age.

Alternates:

In addition to the combined quotas for all states in the USTA Southern Section, at least 14 places are retained for alternates in the 14-18s age groups. Therefore, players who fall outside the USTA Tennessee quota and want to go to the USTA Southern Closed Junior Championships are encouraged to submit an application. Those 14 places are chosen based on a players Southern ranking. It is the player's responsibility to ascertain his/her entry status for the USTA Southern Closed Junior Championships. Additional alternate information will be given in the appropriate USTA Southern Closed Junior Championships entry form and/or on the Internet.

Waivers: Under special circumstances, Tennessee players may be waived from Qualifying Championships and receive endorsement to the Southern Closed Junior Championships. Those requesting a waiver must meet the following requirements and follow these procedures:

1. A player is ranked in the top 20 Nationally of the age group they are applying for a waiver from.
2. Requests for a waiver for illness, injury or extreme emergency must be properly documented and submitted in writing to the USTA Tennessee office. A medical waiver does not guarantee selection to the Southern Closed.
3. A player that wins the Qualifying as a first year player will be waived from that event as a second year player.
4. All waiver requests must be submitted to the TTA office in writing at least 1 month before the start of the Qualifying.

Attention Juniors: For the latest Points Per Round information, please visit the USTA Tennessee website at www.tennesseetennis.com. All information listed on the website WILL TAKE PRIORITY over what is listed in the 2010 Yearbook.
